President's Message

We have a lot of volunteer and participation opportunities during our "outdoor" months.

- We need volunteers to help plant flowers in the green spaces.
- We are writing a grant to revitalize Jane Newcom Park's walking track and need volunteers to help spread chips and dust (gravel).
- We need volunteers to help set up and take down for the neighborhood picnic.
- We need participants for the Garage Sale and Community Garden (two plots are available due to two 2015 participants deciding not to garden this year).

If you are interested in volunteering, or participating, email your name, contact information and interested activities to welovepattersonparktoo@gmail.com. Volunteering and participating in neighborhood activities is a great way to meet new neighbors!
