Jane Newcom Park Shelter Mural Project

We are in the FINAL phases of the Mural Project! Sean Friel of "Friel's Fine Finishes" sprayed the anti-graffiti paint coating over the murals on the shelter. (He did the work for word of mouth advertising only, meaning the work was completed at no cost to the neighborhood association.)

We would also like to thank Patterson Park neighbor Jim Cook who created the engraved wood plaques that acknowledge the neighbors who supported the mural project with monetary contributions. Nice job!

With the exception of writing the grant completion document to the county, the coating application will be the final phase of the mural project.

Please join us for the GRAND OPENING ceremony on Tuesday, October 7 at 10:00am at Jane Newcom Park!
