President's Message

I have enjoyed the summer months working in my yard and walking in the neighborhood. We have a beautiful neighborhood! I would like to thank the Garden Club for planting perennials and annuals in our green spaces. I have noticed some neighbors have taken upon themselves to mow, edge and add mulch around trees and street lights (some with flowers) in the boulevards. I would like to encourage others to do the same. Years ago, we asked neighbors that did not live on a boulevard street if they would be interested in adopting one. If you are interested, please contact welovepattersonparktoo@gmail.com.

Hope to see you Saturday, August 6 at our annual picnic!

Time for the Annual Patterson Park Neighborhood Picnic!

The annual Patterson Park Neighborhood Picnic is scheduled on Saturday August 6th. All residents of the neighborhood are invited to join us at Jane Newcom Park from 11:30 - 3:30 to get to know your neighbors, enjoy some great picnic food—including some very special pulled pork that will be smoked all night by one of our PP neighbors! Tree Donation

The John Stemley Memorial, located at Jane Newcom Park, is being revitalized after 17 years. John Stemley was our most dedicated and giving Patterson Park Neighborhood President and Southeast Priority Board Representative. To name a few accomplishments, John was instrumental in designing the neighborhood green spaces, updating street lighting and revitalizing Jane Newcom Park. On October 17, 1998, John died suddenly while volunteering to weed Jane Newcom Park's walking track.

Jim McCloskey, President of C&M Rubber recently donated a red oak tree in John's memory. Jim and his office manager, Anthony Starr, planted the tree on June 24th. This Fall, hydrangeas, knock-out roses and sedum will complete the memorial.

Thanks to Jim, and Anthony, for their donation and keeping John's memory alive.
