President's Message

We are currently in the process of writing a grant to revitalize Jane Newcom Park's walking track and will need volunteers to help spread chips and dust (gravel) and install exercise stations. Part of the grant application is the neighbors volunteer hours on the project. If you are interested in volunteering, please call me at 298-6048 or email me at lisa.danner3@gmail.com. Volunteering is a great way to meet new neighbors and help us upgrade the Park!

Neighborhood Meeting

Our next Neighborhood Meeting is scheduled for Tuesday, May 9 at 7 pm at Horace Mann Elementary School. Horace Mann is located at 715 Krebs Avenue. Our guest speaker will be Aaron Zonin, Deputy Director of the City of Dayton Water Department. Mr. Zonin will be updating our neighborhood on the Sunday, March 5, 2017 Dayton Daily Newspaper article, "Lead and water: hidden dangers". Patterson Park is one of five Dayton neighborhoods that have lead service lines. Come and learn if Patterson Park has hidden dangers.

Shroyer Road Construction

Oakwood will begin work on the Shroyer Road Construction project soon. Shroyer Road in Oakwood will be reduced to two lanes with bike lanes. The bicycle crossing located south of Gainsborough Road will be moved a little further south with a light signal for the bikers and walkers to cross Shroyer Road safely. Construction is scheduled to run between May and December and we encourage everyone to please be careful during the construction process.
